

Edenvale Gathering of the Classics

INFO: <http://www.classicaircraft.ca/>

CNV8 Airport - UNICOM 122.775

AWOS: 123.175 or <http://208.80.97.199/>

Three Runways:

1. 08/26 paved 3,014 x 80 ft.
2. 13/31 paved 4,000 x 100 ft.
3. 17/35 grass 1,900 x 80 ft.

If the winds are from the west you will have to cross over the field at 2200', then descend on the north side of the field and come back to join a mid-left downwind at 1700' for 26 or 31 depending upon which runway is in use that day. Remember that there will be a lot of traffic for the **Gathering of the Classics** so stay alert for other aircraft and clear the runways as quickly as possible.

Pilot Procedures when 2 runways are in use:

<http://www.edenflight.com/pilot-procedures.html>

CFS Page: http://www.challenger.ca/contact_edenvale_cfs.jpg

Skydiving activity may be in progress 2-3 miles north of Edenvale – Use Caution if north of the field!
